

Partner Search Profile: Pilsen Busking Fest (Czech Republic)

About the Festival

Pilsen Busking Fest is a major international multi-genre festival that transforms the historical streets of Pilsen into a vibrant, open-air stage. We focus on **authentic street art**, bringing together high-quality music, new circus, acrobatics, dance, and visual arts. Our mission is to break the barriers between artists and the audience, making culture accessible to everyone regardless of their background.

- **Location:** Pilsen, Czech Republic (European Capital of Culture 2015)
- **Artistic Focus:** Music (all genres), Street Theatre, New Circus, Fine Arts, Workshops.
- **Key Stats:** [10th] edition in 2023, [20,000+] visitors annually, [50+] international artists from [20+] countries.

History

Founded in **2014**, the festival was born from a desire to bring the "spirit of the street" to the post-industrial city of Pilsen. Since then, it has grown from a local gathering into one of the most respected busking events in Central Europe. We have a proven track record of hosting world-class street performers and collaborating with international festivals.

Vision & Cooperation Goals

We are looking for partners for **Creative Europe (2021-2027)** projects focusing on:

- **Artist Mobility:** Creating "touring circuits" for street performers and musicians across Europe.
- **Audience Development:** Engaging local communities in creative processes.
- **Sustainability:** Sharing best practices for eco-friendly open-air event management.
- **Innovation:** Integrating digital elements or site-specific art into the street environment.
